## Amrita e-learning platform

---

**KOCHI, JAN. 6:** Amrita University's e-learning platform A-View (Amrita Virtual Interactive e-Learning World) was officially launched for schools in Maharashtra at Amrita Vidyalayam, Nigdi, Pune. More than 5000 students and teachers from 15 districts in Maharashtra participated live in the online launch program.

Arun Nigawekar, former UGC Chairman, officially launched A-View. The award-winning platform has been successfully deployed at more than 2,000 higher educational institutions across the country, and now it will be used in schools.
