

Amrita e-Learning Research Lab set to launch e-Learning software, A-VIEW

With a mission to promote e-Learning and disseminate quality education, Amrita E-Learning Research Lab will launch its indigenously developed e-Learning software A-VIEW (Amrita Virtual Interactive E-Learning World) for universities and colleges in Odisha on January 21 next week.

A-VIEW is provided free of cost to all institutes of higher education. As of today, A-VIEW has been successfully deployed at more than 2,000 higher educational institutions across the country and is gradually getting extended to schools and vocational centers.

On January 4, A-VIEW was launched for schools in Maharashtra at Pune by former UGC Chairman Prof. Arun Nigawekar. Now A-VIEW is being used on a pilot basis in schools in Maharashtra and Kerala.

A-VIEW is majorly supported by the National Mission on Education through ICT, Ministry of HRD, Government of India.
